STAR WARS
IMPERIAL ASSAULT

SKIRMISH MAP SHEET

Heart of the Empire includes two new skirmish maps to expand your options for *Imperial Assault* skirmishes. The "30th Floor Plaza" map (see below) corresponds to the "Overwatch" and "On Our Way" Skirmish Mission cards found in this expansion. The "Temple Gardens" map (see reverse) corresponds to the "Temple Onslaught" and "Garden Standoff" Skirmish Mission cards. These missions also follow the new rules for four-player skirmishes found on page 6 of the *Heart of the Empire* Rulebook.

For more information on playing a skirmish, players should consult the Skirmish Guide and Rules Reference Guide, both of which are found in the core game.
