STAR WARS
IMPERIAL ASSAULT

SKIRMISH MAP SHEET

Jabba's Realm includes two new skirmish maps to expand your options for *Imperial Assault* skirmishes. The "The Pit of Carkoon" map (see below) corresponds to the "Desert Dangers" and "Battle for the Khetanna" Skirmish Mission cards found in this expansion. The "Nal Hutta Borderlands" map (see reverse) corresponds to the "Enemy of my Enemy" and "Border Dispute" Skirmish Mission cards. These missions also follow the new rules for four-player skirmishes found on page 6 of the *Jabba's Realm* Rulebook.

For more information on playing a skirmish, players should consult the Skirmish Guide and Rules Reference Guide, both of which are found in the core game.
