# IMPERIAL ASSAULT

## KAYN SOMOS, TROOPER COMMANDER

This pack provides the Kayn Somos, Trooper Commander plastic figure that can be used to replace his villain token when playing a mission. The other components in this expansion are incorporated as follows:

- Add the Deployment cards to their supply.
- If you own the *Twin Shadows* expansion, the Imperial player can choose the "Stormtrooper Support" Agenda set when building his Agenda deck at the start of a campaign.
- Shuffle the Skirmish Mission cards into the Skirmish Mission deck. These cards use the "Tython Meditation Field" skirmish map (see below).
- Add the Command cards to the pool of cards that a player can use to build his Command deck.

## COMPONENT BREAKDOWN

1 Plastic Figure (Kayn Somos)

2 Deployment Cards (Kayn Somos, Rule by Fear)

3 Command Cards (Rank and File, Squad Swarm, Rally the Troops)

3 Agenda Cards (Stormtrooper Support)

2 Skirmish Mission Cards (Tython Meditation Field)

## TYTHON MEDITATION FIELD

Skirmish Map

### A Balance of the Force

Those who study the ways of the Force know that it can be your most powerful ally, or your greatest foe. Hoping that it will be the former, your team has traveled to the ancient Tython Meditation Fields, hoping to increase their strength with the Force. Unfortunately, it seems your enemies had similar ideas in mind. You muster your focus, hoping you can channel the powerful energy of this location to your advantage in combat.

### B Chosen of the Force

True heroes may not even know of their destiny until it is thrust upon them. In moments of greatest trial, those gifted with strength in the Force will rise masterfully to the occasion, often not even knowing where their new strength came from. The downside is such heroes become prime targets for enemy squads, since defeating them will bring both advantage and morale to their side of the conflict.

- Doors are locked to Imperial figures. The door to the Command Hub is also locked to Rebel figures.
- The mission will progress when a door opens (⚓). The mission ends at the end of Round 6 or when all heroes are wounded.

## LAST STAND

**When the door to the Command Hub opens:**

- Heroes receive 100 credits per hero.

**At the end of Round 6 or when all heroes are wounded:**

*You realize you were foolish to try to attack a full stormtrooper training facility head on. The pressure is too heavy, forcing you to retreat. You contact as many Rebel supporters in the area as you can, urging them to evacuate.*

## ADDITIONAL REWARDS

- Each player receives 1 XP. Heroes receive 100 credits per hero. The Imperial player receives 1 influence.
