STAR WARS

IMPERIAL ASSAULT

MAUL, SEEKER OF VENGEANCE

This pack provides the Maul, Seeker of Vengeance plastic figure that can be used when playing a mission. The other components in this expansion are incorporated as follows:

- Add the Deployment, Condition, and Command cards to their supplies.
- If you own the *Heart of the Empire* expansion, the Imperial player can choose the "A Former Sith" Agenda set when building his Agenda deck at the start of a campaign.
- If you own the *Heart of the Empire* expansion, shuffle the Skirmish Mission cards into the Skirmish Mission deck. These cards use the "Coruscant Back Alleys" map (see below).

COMPONENT BREAKDOWN

1 Plastic Figure (Maul)

1 Deployment Card (Maul)

3 Agenda Cards (A Former Sith)

4 Power Tokens

5 Command Cards (Wreak Vengeance, Looking for a Fight, Face to Face, Deathblow, Chaotic Force)

2 Skirmish Mission Cards (Coruscant Back Alleys)

POWER TOKENS

Various cards and abilities allow figures to gain **POWER TOKENS**. These tokens represent any number of things that increase a unit's effectiveness in battle, from enhanced armaments to affinity with the Force.

When a figure with a power token declares an attack or is declared as the target of an attack, that figure may discard 1 of his power tokens. If he does, apply +1 of the symbol on that token to that attack's results. For example, if a figure spent 1, players would apply +1 to the defense results.

A power token showing a damage symbol

When an ability instructs a figure to gain a power token, that figure's player claims one token matching the symbol of the power token listed in the ability from the supply and places it either near that figure on the board or on that figure's deployment card or hero sheet. When an ability instructs a player to gain any number of , that player gains that number of power tokens of his choice.

Each figure cannot have more than 2 total power tokens. If a figure would gain more than 2, he must choose tokens to discard until he has 2.

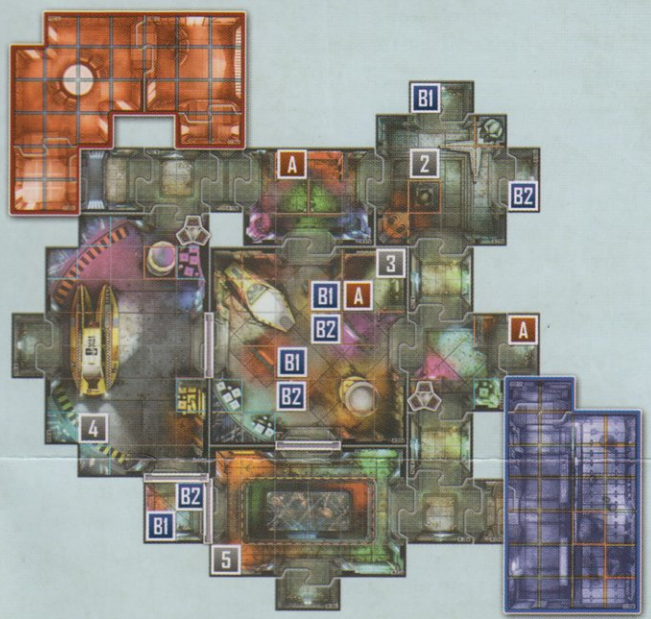

A figure cannot spend more than 1 power token per attack.

TIME PERIOD

In order to allow a more open-ended play experience, the missions in this expansion do not include time periods and can therefore be used in any campaign.

MISSION BRIEFING

An informant has intel on the elusive Maul and agrees to help you locate the former Sith. Upon arrival at the informant's location, however, Maul's operatives emerge from a nearby facility. Your contact moves to cower behind cover, suddenly frightened and reluctant to cooperate.

- The Rebel mission token represents the informant. Once during his activation, a hero adjacent to the informant can suffer 1 ✥ to push him 1 space. That hero may test 💪 or 👁. If successful, that hero may push him 2 spaces instead.
- Doors are locked. A door is unlocked to Rebels while the informant is adjacent to it.
- The mission will progress when the door to the Hideout opens (✪). The mission ends at the end of Round 6 or when all heroes are wounded.

EXTRA HELP

At the end of Round 1:

- Increase ⚙ by the threat level and resolve an optional deployment.

THE FORMER MASTER

When the door to the Hideout opens:

- Deploy the reserved Maul to the Hideout.
- Increase ⚙ by the threat level and resolve an optional deployment to the blue point.
- The yellow deployment point is now active.
- Apply additional Health to Maul equal to twice the threat level. At the start of Maul's activation, if he has suffered an amount of ✖ equal to or greater than the threat level, he recovers all ✖ and becomes Stunned.
- A Rebel figure can attack a terminal (Health: Threat level, Defense: 1 ▼). When all terminals are destroyed, Maul no longer recovers ✖ or becomes Stunned at the start of his activation.
- When an Imperial group would activate, if Maul has suffered ✖ equal to his Health, Maul must activate, if able.
- The mission ends when Maul is defeated (✪).

OPERATIVES

When the door to the North Room opens:

- Increase ⚙ by the threat level and resolve an optional deployment to the red point.
- The red deployment point is now active.

BACKUP

When the door to the South Room opens:

- Increase ⚙ by the threat level and resolve an optional deployment to the black point.
- The black deployment point is now active.

END OF MISSION

When Maul is defeated:

You are not the easy prey Maul took you for. He sneers at you and darts into the shadows, his secret base of operations now uncovered, wrecked, and useless. He'll eventually regroup, but for now you can rest assured his plans have been delayed.

- Heroes receive 100 credits per hero.

At the end of Round 6 or when all heroes are wounded:

Bloody and broken, you tear through the hideout back to the safety of your ship. Behind you, the informant cries out, "Wait! You promised me protection! Don't leave me!!!" You try not to think of his inevitable fate at the hands of Maul.

- The Imperial player receives Maul (Seeker of Vengeance) as a villain.

ADDITIONAL REWARDS

- Each player receives 1 XP. Heroes receive 100 credits per hero. The Imperial player receives 1 influence.
