STAR WARS

IMPERIAL ASSAULT

CHEWBACCA, LOYAL WOOKIEE

This pack provides the Chewbacca, Loyal Wookiee plastic figure that can be used to replace his ally token when playing a mission. The other components in this expansion are incorporated as follows:

- Add the Chewbacca Deployment card to the supply of Deployment cards.
- Shuffle the Side Mission card together with the other gray Side Mission cards before building the Side Mission deck at the start of a campaign.
- Shuffle the Skirmish Mission cards into the Skirmish Mission deck. These cards use the "Imperial Labor Camp" map (see below).
- Add the Command cards to the pool of cards that a player can use to build his Command deck.
- Add the Reward card to the supply of Reward cards. This card can be received by a hero after playing "Celebration."

COMPONENT BREAKDOWN

1 Plastic Figure (Chewbacca)

1 Deployment Card (Chewbacca)

6 Command Cards (Wookiee Rage x2, Roar, Hold Ground, Adrenaline, Debts Repaid)

1 Side Mission Card (Celebration)

2 Skirmish Mission Cards (Imperial Labor Camp)

1 Reward Card (Intimidation)

A Prison Break

A prison break operation is underway to free a high-value informant. Your team is sent in to secure the subject and defeat hostile forces attempting to seize him.

You must not allow the informant to fall into enemy hands. Should they succeed in capturing the subject, you are instructed to prevent extraction by any means necessary. If the informant is compromised, you are cleared to use lethal force to prevent valuable information from falling into the hands of your enemies.

B Infiltration

This labor camp houses some of the most valuable prisoners in the system. Your team has been tasked with securing the facility. Despite substantial resistance to your efforts, you work to get a unit on the inside to perform your operations, while also doing all you can to hold your own staging ground.

Fortunately, recent prison riots have led to a surplus of energy shields in the area, which should prove useful in engaging the enemy, or at least surviving.

MISSION BRIEFING

The celebration is wonderful, and the marvelous feast reminds you of why you fight so hard in the first place.

As festivities continue, you notice the Wookiees begin to move slowly, some even staggering and falling down. In the midst of assisting them, you conclude that their traditional drink, the very potent accarragm, has been drugged.

There's a rumble of an engine as an Imperial shuttle lands in the forest. Stormtroopers rush out and begin rounding up the unconscious Wookiees.

- Rebel mission tokens represent Wookiees.
- An Imperial figure can interact with a Wookiee to bind it. Flip the token to the Imperial side.
- A healthy hero or Chewbacca can interact (✋ or ✊) with a bound Wookiee to free it. Flip the token to the Rebel side.
- The mission ends at the end of Round 5 (⏻), when there are 6 bound Wookiees, or when all heroes are wounded and Chewbacca is defeated.

ASSAULT WAVE

At the end of Round 2:

- Increase ⚙ by the threat level.

The Imperial player chooses 1 of the following:

An Imperial officer shouts to his troops as they pour out of the forest behind you. "Move faster! I don't want your excuses, I want those Wookiees secured for transport!"

- The red deployment point is now active.

In the midst of battle, an explosion causes you to lift your head to find the source of such a massive sound. You see that the Imperials have blown a hole in the side of Chewbacca's hut and are now running in to arrest even more Wookiees.

- The blue deployment point is now active.

END OF MISSION

At the end of Round 5:

Chewbacca roars in triumph as the Imperials are forced to retreat. You run to the drugged Wookiees and start applying stimpacks as fast as you can.

- Rebel players choose one hero to receive the "Intimidation" Reward card.

When there are 6 bound Wookiees or when all heroes are wounded and Chewbacca is defeated:

The shuttle blasts off with its captives. With a roar, Chewbacca takes off toward your ship, as if ready to make pursuit. Noticing the shambles of the village and a number of his kin still in need of assistance, he gives a low, sorrowful growl and sets down his bowcaster.

- The Imperial player receives 2 influence.

ADDITIONAL REWARDS

- Each player receives 1 XP. Heroes receive 100 credits per hero. The Imperial player receives 1 influence.
