STAR WARS
IMPERIAL ASSAULT

SKIRMISH MAP SHEET

Return to Hoth includes two new skirmish maps to expand your options for *Imperial Assault* skirmishes. The "Echo Base" map (see below) corresponds to the "Safe and Sound" and "Rapid Adaptation" Skirmish Mission cards found in this expansion. The "Hoth Battlefield" map (see reverse) corresponds to the "Blood on the Snow" and "A Battle for Hoth" Skirmish Mission cards. These missions also follow the new rules for four-player skirmishes found on page 6 of the *Return to Hoth* Rulebook.

For more information on playing a skirmish, players should consult the Skirmish Guide and Rules Reference Guide, both of which are found in the core game.
